

### **Supporting notes for UDP grant**

- The grant will be processed **automatically** following the full 10 day attendance on the Programme.
- Should the Graduate have already carried out the Health & Safety element prior to the Programme this would be honoured, however a deduction of 10% would apply as the employer would have already availed of the H&S grant funding already contained within the 2010/11 Grant Scheme.
- All grant applications are subject to eligibility and conditions of grant 2010/2011
