

NORTHERN IRELAND

**Training Provision for the Construction Industry**

CITB's criteria for registering courses onto the CITB Training Directory is that a course has been developed based on National Occupational Standards or has been accredited by an appropriate recognised body. Please see attached definitions for further information.

It is also a requirement that a declaration is signed by a company director or senior manager in relation to the trainer delivering the course/s as stated below.

Proposed courses to be registered by CITB:

	<b>A.</b>	<b>B.</b>
Course Title, Duration & Cost: _____	<input type="checkbox"/>	<input type="checkbox"/>
_____	<input type="checkbox"/>	<input type="checkbox"/>
_____	<input type="checkbox"/>	<input type="checkbox"/>

NB

A – The course has been developed based on National Occupational Standards

B – The course has been accredited by an appropriate recognised body.

I confirm that the above course/s meet the CITB criteria and that course programmes and trainer's CV's are available for inspection as required.

I also confirm that all courses are delivered by suitably qualified and competent trainers and that all courses meet any current regulations and industry requirements.
